Conditions and Remarks
1) The full gate in date of the last container of the booking is the leading factor of ocean freight calculation against validity of the Rate agreement.
2) If the vessel delay information is within 14 days prior to the published ETD of the vessel, the DND and Storage charges (if any) will not be charged.
This is of course only for the DND/Storage costs occurred due to the delay. Costs occurred without any involvement of the delay will be charged accordingly.
3) If the vessel delay information is before 14 days prior to the published ETD of the vessel, the DND and Storage chargers (if any) will be charged accordingly.
4) Rates are offered in USD.
5) Based on freight prepaid.
6) Subject to local charges at destination.
7) Subject to service, space and equipment availability.
8) IMO Classes 1.2, 5.1 & 7 not acceptable.
9) Subject to IMO approval by the line.
10) Overweight cargo will not be accepted.
11) Rates do not include taxes.
12)IMO is always subject to final carrier approval.
13) **Rate need to be filled before the gate in date. If rate is not filed, your booking will rate with FAK rate according to the FMC Rules**
